News and Information for the NIH Executive Workforce

Federal Leadership and Professional Development Seminar Series (FLPDSS) August Workshop: *Strategic Planning, Performance Measurement, and Evaluation – Successful Strategies from Across the Federal Government*

The FLPDSS conducted a full-day workshop for government employees that brought together experts from 10 agencies to discuss strategies for Strategic Planning, Performance Measurement, and Evaluation. The workshop wrapped up with a session on the Evidence Act and Learning Agendas.

A link to the Metrics Session can be accessed [here](#). All Other Session Recordings and Transcripts can be accessed [here](#). Participants may be required to register through the Max portal first.

For more information about the Seminar Series please contact Kim Wittenberg, kim.wittenberg@ahrq.hhs.gov.

SES Rotation Opportunities

Attached is the current list of 14 available Executive Rotation assignments/opportunities.

The list includes rotation announcements, across the Federal government, posted on OPM's executive information management system (e.g., ESCS). **Please note, these opportunities are only open**

to current SES members. Questions related to SES Rotation Opportunities may be addressed to our [Operations Team](#).

Executive Plan Establishment

COMING SOON The Office of Human Resources (OHR) will be issuing FY 2020 plan establishment guidance for SES, SL, and Senior-Level T-42 executives.

Plans will be established in [USA Performance](#) (USAP). For more information on USAP and establishment, please visit the [USAP Resource Page](#) on the [OHR](#) website.

Questions related to Executive Performance Management and [USAP](#) may be addressed to [Megan Goetz](#) and [Blair Battle](#).
