LEARNING MANAGEMENT SYSTEM (LMS)
LAUNCH AN ONLINE COURSE

This QRG will guide you through the process of launching an online course after registering for the course.

1. Log into the LMS.

    NOTE: For instructions about logging on, refer to the [Log-On Instructions (TS02-L)](#) QRG.

2. From the LMS Home Page, click on the **Learning** link in the left menu.

NOTE: For instructions about registering for a course, refer to the [Browse Catalog and Register (TS06-L)](#) QRG.

4. Courses in the LMS are created by several different vendors and some are created internally by NIH resources. As such, the launch behavior of the course can vary from developer to developer. The following are some example screens that you might see when launching a course.

    SkillSoft – this is a sample screen that is displayed after clicking the **Launch Content** button from your Current Learning page. Click the **Play this Course** link to launch the course content.
